PAX A930

MOST POWERFUL EVER

Next Generation Performance and Power

A more powerful Quad-core 1.4G processor offers all the benefits of Android.

Qualcomm Quad-core Cortex-A53

High performance, Less energy

PayDroid OS

Combining security & software flexibility. Android 7.1

1GB RAM + 8GB ROM

Scalable memory that grows with you

Beauty in Shape

The premium craftsmanship and well-chosen material cultivate A930 a great interpretation of perfectionism.

Splendor on Screen

The 5.5" IPS display provides you a marvelous vision experience and a seamless using interaction.

Smooth Printing

The thermal receipt printer has higher speed and quieter noise, which makes every transaction a great pleasure.

- 58mm line thermal printing
- 80mm/s printing speed
- 50km printhead life
- 10,000 times of lid-flipping

Ergonomic Comfort

The 2.5D curved designed A930 fits perfectly into the palm of your hand.

Omni Payment

The A930 accepts any payment method from traditional Chip & PIN and contactless, to alternative mobile wallet and QR code transactions.

Payment On the go

The A930 has full communication capabilities and easily gets connected all the time.

eSIM
Embedded SIMs allow you activate mobile networks much easier

Dual-band Wi-Fi*
Enjoy more stable connection and run smoothly with Dual-band Wi-Fi*

4G
Connect you quicker no matter indoor or outdoor

Charging & Communication Dock

A docking station acts as a natural home for the A930, providing fast charging and data transmission via OTG.

USB

Endless Power

With a huge and high quality rechargeable 3320mAh 7.2V Li-ion battery, the A930 can last the whole day even in the most demanding situation. The battery protect technology significantly extends battery life.
